Relief

- (1) A company, registered scheme, registrable superannuation entity or disclosing entity (each a **relevant entity**) does not have to comply with Part 2M.3 of the Act, and a retail CCIV does not have to comply with Part 2M.3 of the Act in relation to a sub-fund, to the extent that that Part prevents the notes to the financial statements and consolidated financial statements for a financial year or half-year (each a **relevant period**) from including a balance sheet (and, where applicable, a consolidated balance sheet) explaining the financial effect of acquisitions and disposals (each

the **relevant transactions**) of entities and businesses after the end of the relevant period.

Where the relief applies

(2) The relief in subsection (1) is available where both of the following apply:

(a) either:

(i) the relevant transactions have a material effect on the relevant entity or sub-fund (as the case may be) and a single entity balance sheet is included in the notes to the financial statements that is either:

(A) an actual balance sheet drawn up to a point in time after the relevant transactions have occurred; or

(B) a pro forma balance sheet drawn up on the basis of the relevant entity's or sub-fund's (as the case may be) actual balance sheet drawn up at the end of the relevant period or a later date; or

(ii) consolidated financial statements are included in the financial report, the relevant transactions have a material effect on the consolidated entity and a consolidated balance sheet is presented in the notes to those consolidated financial statements that is either:

(A) an actual consolidated balance sheet drawn up to a point in time after the relevant transactions have occurred; or

(B) a pro forma consolidated balance sheet drawn up on the basis of the consolidated entity's actual consolidated balance sheet drawn up at the end of the relevant period or a later date;

(b) where a pro forma balance sheet or pro forma consolidated balance sheet is included in a note to the financial statements in accordance with sub-subparagraph (a)(i)(B) or sub-subparagraph (a)(ii)(B):

(i) the pro forma balance sheet is prepared on a basis consistent with the accounting standards; and

(ii) the basis of preparation and any key underlying assumptions are disclosed in the note; and

(iii) any other material transactions or events after the balance date are reflected in the note where necessary to ensure that the pro forma balance sheet is not misleading.

10 Relief and exemption to enable rounding in a report

- (1) A company, registered scheme, disclosing entity, financial services licensee, retail CCIV in relation to a sub-fund of the retail CCIV or registrable superannuation entity (each a **relevant entity**) does not have to comply with Part 2M.3 and Part 7.8 of the Act to the extent that those Parts require amounts required or permitted to be set out in an eligible report for a financial year or half-year (each a **relevant period**) to be stated exactly.

Where the relief or exemption applies

- (2) The relief or exemption in subsection (1) may be relied on where all of the following apply:
- (a) the eligible report includes in substitution for an amount that would otherwise be required or permitted to be set out exactly:
 - (i) if the amount is half or less than half of the rounding factor or alternative rounding factor—“nil” or the equivalent thereof; or
 - (ii) in any other case, the amount rounded up or down to the nearest whole number multiple of the rounding factor or alternative rounding factor;
 - (b) where an alternative rounding factor is applied under subparagraph (a)(ii) instead of a rounding factor in relation to an amount, the alternative rounding factor is also applied in relation to every other amount in the eligible report for which the rounding factor is relevant;
 - (c) where an amount is substituted under paragraph (a), the corresponding amount in respect of the comparative financial year or half-year is also shown in accordance with that paragraph;
 - (d) where amounts are rounded to the nearest \$100,000 in accordance with subparagraph (a)(ii), those amounts are presented in the form of a whole number of millions of dollars and one place of decimals representing hundreds of thousands of dollars, with a clear indication that the amounts are presented in millions of dollars (for example, in column headings or by placing the word “million” after the amounts);
 - (e) none of the substitution or rounding of amounts in accordance with paragraphs (a) to (c) have the potential to adversely affect:
 - (i) decisions about the allocation of scarce resources made by users of the financial report (including consolidated financial statements, if any); or

- (ii) the discharge of accountability by management or the directors of the relevant entity or in relation to the auditors;
- (f) the relevant eligible report states that amounts have been rounded off in accordance with this section;
- (g) the relevant eligible report clearly discloses on each page where amounts have been rounded the extent to which those amounts have been rounded.

11 Relief and exemption from including nil amount items in a report

- (1) A company, registered scheme, disclosing entity, financial services licensee, retail CCIV in relation to a sub-fund of the retail CCIV or registrable superannuation entity (each a *relevant entity*) does not have to comply with Part 2M.3 and Part 7.8 of the Act to the extent that those Parts require a financial report to include an item where the amount that would be shown against the item (including any comparative amount) would be nil.
- (2) The relief or exemption in subsection (1) may be relied on where the amount would be nil because it is covered by subparagraph 10(2)(a)(i) or otherwise.

12 Relief allowing transfer of information from the directors' report to the financial report or an accompanying document

- (1) A company, registered scheme or disclosing entity (each a *relevant entity*) does not have to comply with paragraph 298(1AA)(c), paragraph 298(1AB)(b), subsection 298(1A), sections 299 to 300 (other than subsections 300(11B) and (11C)) and section 300B of the Act to the extent that these provisions require certain information to be included in the directors' report (or in the financial report under subsection 300(2) of the Act) for a financial year (the *relevant period*).
- (2) A disclosing entity does not have to comply with section 306 of the Act to the extent that the section requires certain information to be included in the directors' report for a half-year (the *relevant period*).
- (3) A relevant entity does not have to comply with Part 2M.3 to the extent that it precludes information required to be included in the directors' report for the relevant period from being included in the financial report for the relevant period. This does not apply to information required by subsection 298(1A), sections 299 and 299A and subsection 306(2) of the Act.

Where the relief applies

- (4) The relief in subsections (1) to (3) is available where all of the following apply:

- (a) all information (the ***excluded information***) which is not included in the directors' report or the financial report is included in a document (the ***accompanying document***) which accompanies the directors' report and financial report for the relevant period;
- (b) the directors' report for the relevant period incorporates by reference the information that has been left out and includes a prominent cross-reference to the page or pages of the financial report or the accompanying document where the information has been set out;
- (c) the relevant entity does not distribute or make available the directors' report and financial report for the relevant period to any person and takes reasonable steps to ensure that no other person distributes or makes available those reports without the accompanying document;
- (d) the accompanying document is lodged with ASIC as if it were a part of the report required to be lodged with ASIC under section 319 or 320 of the Act for the relevant period;
- (e) any of the excluded information is included in or accompanies any concise report for the purposes of section 314 of the Act and is lodged with ASIC under section 319 of the Act.

Part 3—Exemptions for parent entities

13 Simplified outline of this Part

This Part sets out an exemption from the financial reporting requirements under Part 2M.3 of the Act to allow a parent entity that includes consolidated financial statements in its financial report to include single entity financial statements in its financial report.

A parent entity that relies on the exemption must comply with the requirements of Part 2M.3 of the Act as if the single entity financial statements were required to be included in the financial report..

14 Definitions in this Part

In this Part:

single entity financial statements means financial statements referred to in paragraph 295(2)(a) or 303(2)(a) of the Act.

15 Relief to enable the inclusion of single entity financial statements in parent entity financial statements

Financial year

- (1) A company, registered scheme, registrable superannuation entity or disclosing entity (each a *relevant entity*) that includes consolidated financial statements in its financial report for a financial year does not have to comply with subsections 292(1) and 314(1) of the Act to the extent that:
 - (a) subsection 295(2) of the Act prevents the inclusion of single entity financial statements in the financial report; and
 - (b) paragraph 295(3)(a) of the Act requires the inclusion of the information specified by regulation 2M.3.01 of the *Corporations Regulations 2001*.

Half-year

- (2) A relevant entity which is a disclosing entity that includes consolidated financial statements in its half-year financial report does not have to comply with section 302 of the Act to the extent that subsection 303(2) of the Act prevents the inclusion of single entity financial statements in the half-year financial report.

16 Conditions

The relevant entity must comply with the requirements of Part 2M.3 of the Act:

- (a) where subsection 14(1) applies—as if the single entity financial statements were required to be included in the financial report under subsection 295(2); and
- (b) where subsection 14(2) applies—as if the single entity financial statements were required to be included in the half-year financial report under subsection 303(2).

Part 4—Exemptions for related schemes

17 Simplified outline of this Part

This Part sets out exemptions from the financial reporting and sustainability requirements under Part 2M.3 of the Act for a registered scheme that is related to other registered schemes.

Subject to meeting various requirements, the exemptions allow such a registered scheme and its directors to include:

- (a) in the financial report or concise report of the registered scheme—the financial reports of its related schemes; and
- (b) in the directors' report of the registered scheme—the directors' reports of its related schemes; and
- (c) in the sustainability report of the registered scheme—the sustainability reports of its related schemes that are required to prepare sustainability reports.

Where the financial reporting exemption is relied on in relation to a concise report, the concise report may omit the single entity report for the registered scheme provided that it includes consolidated financial statements for the scheme.

18 Definitions in this Part

- (1) In this Part:

director means, in relation to a registered scheme, a director (as defined in section 9 of the Act) of the responsible entity of the scheme.

- (2) A registered scheme is *related* to another registered scheme if:

- (a) the schemes have the same responsible entity; or
- (b) the responsible entities of the schemes are wholly beneficially owned by the same entity.

- (3) A period is of the *same kind* as another period if:

- (a) both of the periods are financial years; or
- (b) both of the periods are half-years.

19 Relief enabling one financial report for related schemes

Relief

- (1) A registered scheme (the **relevant scheme**) and its directors do not have to comply with Part 2M.3 of the Act to the extent that that Part prevents:
 - (a) the financial report for a financial year (the **relevant period**) or half year (the **relevant period**) or concise report for a financial year:
 - (i) including the single entity or consolidated financial statements, notes to those statements, directors' report and directors' declaration about the statements and notes of one or more registered schemes (each an **included scheme**) that are related to the relevant scheme; and
 - (ii) in the case of a concise report—omitting the single entity report for the relevant scheme; and
 - (b) the directors' report of the relevant scheme including the directors' report of related schemes.

Where the relief applies

- (2) The relief in subparagraph (1)(a)(i) and paragraph (1)(b) is available where all of the following apply:
 - (a) each financial report of an included scheme is:
 - (i) a financial report for:
 - (A) the relevant period; or
 - (B) another period of the same kind that ends no more than 6 months before or after the end of the relevant period; and
 - (ii) audited by the same audit company, audit firm or individual auditor as the relevant scheme;
 - (b) the financial statements for the relevant scheme and each included scheme are presented in adjacent columns in the financial report for the relevant scheme;
 - (c) in any concise report for the relevant scheme, the consolidated financial statements or the consolidated financial statements and the single entity financial statements for the scheme and each included scheme are presented in adjacent columns;
 - (d) if an included scheme does not have the same responsible entity as the relevant scheme:
 - (i) the financial report contains:

- (A) a prominent statement to the effect that only the responsible entity of a scheme takes responsibility for the financial report for the scheme; and
 - (B) a separate directors' declaration from each responsible entity covering the schemes that the responsible entity operates; and
- (ii) there is a separate directors' report from each responsible entity covering the schemes that the responsible entity operates;
- (e) where the directors' declaration covers more than one registered scheme, each declaration required by subsection 295(4) or 303(4) of the Act (as relevant) is presented in a way that enables each scheme to which it relates to be readily identified;
 - (f) the financial report for the relevant scheme includes statements indicating:
 - (i) the extent (if any) to which there are facilities in place for the proceeds of a withdrawal from the relevant scheme to be applied to the acquisition of an interest in any included scheme; and
 - (ii) whether further interests in the relevant scheme may be issued and, if so, whether the proceeds of a withdrawal from any included scheme can be applied to acquire an interest in the relevant scheme;
 - (g) where a directors' report covers more than one registered scheme, the information included in it is presented in a way that enables each scheme for which any aspect is relevant to be readily identified.
- (3) The relief in subparagraph (1)(a)(ii) is available where:
 - (a) the relief in subparagraph (1)(a)(i) is being relied on in relation to a concise report; and
 - (b) the concise report includes consolidated financial statements for the relevant scheme.
 - (4) The headings to the columns referred to in paragraphs (2)(b) and (c) must specify the period covered by the financial statement that is presented in the columns.

20 Relief enabling one sustainability report for related schemes

Relief

- (1) A registered scheme (the **relevant scheme**) does not have to comply with Part 2M.3 of the Act to the extent that that Part prevents the sustainability report for a financial year including the sustainability reports of one or more registered schemes (each an **included reporting scheme**) that are:
 - (a) related to the relevant scheme; and
 - (b) required to prepare a sustainability report under subsection 292A(1) of the Act for the financial year.

Note: A sustainability report includes a sustainability report for a consolidated entity: see subsection 292A(2) of the Act.

Where the relief applies

- (2) The relief in subsection (1) is available where all of the following apply:
 - (a) the relevant scheme and each included reporting scheme is relying on the relief in subsection 19(1) in relation to a financial report for the financial year that covers the relevant scheme and each included reporting scheme

Note: The financial report may also cover related schemes that are not included reporting schemes.

 - (b) the sustainability reports of the relevant scheme and each included reporting scheme are audited or reviewed by the same audit company, audit firm or individual auditor;
 - (c) the sustainability report of the relevant scheme contains a prominent statement identifying where the statements, notes and declaration required by paragraphs 296A(1)(a) to (e) of the Act are located for the relevant scheme and each included reporting scheme;
 - (d) the sustainability report of the relevant scheme contains a prominent statement that the relief provided under subsection (1) is being relied upon and an explanation of the effect of the relief;
 - (e) if an included reporting scheme does not have the same responsible entity as the relevant scheme, the sustainability report contains:
 - (i) a prominent statement to the effect that only the responsible entity of a scheme takes responsibility for the sustainability report that scheme; and
 - (ii) a separate directors' declaration under paragraph 296A(1)(e) of the Act from each responsible entity covering the schemes that the responsible entity operates;
 - (f) where the directors' declaration under paragraph 296A(1)(e) covers more than one registered scheme, each declaration is presented in a way that enable each scheme to which it relates to be readily identified.

Part 5—Exemptions for non-reporting entities

21 Simplified outline of this Part

This Part sets out an exemption from the financial reporting requirements under Part 2M.3 of the Act so that an entity that is not a reporting entity under the accounting standards can comply with the same recognition and measurement requirements in relation to a financial report that apply to reporting entities.

22 Definitions in this Part

In this Part:

measurement requirement means a requirement in an accounting standard that is relevant to working out the cost or other value to be attributed to an asset, liability, revenue, expense or other item that is covered by a recognition requirement.

recognition requirement means a requirement in an accounting standard that an asset, liability, revenue, expense or other item is to be expressly reported on, or incorporated in amounts expressly reported on, in a financial statement to which the standard relates.

reporting entity has the same meaning as in Accounting Standard AASB 1057 *Application of Australian Accounting Standards*.

23 Relief for entities that are not reporting entities

Relief

- (1) A company or registered scheme (each a **non-reporting entity**) that is not a reporting entity does not have to comply with subsection 292(1), subsection 296(1) and section 297 of the Act in relation to a financial report for a financial year to the extent that those provisions require the financial report to comply with a recognition requirement or a measurement requirement that would not have applied to a reporting entity.

Where the relief applies

- (2) The relief in subsection (1) is available where the non-reporting entity takes all reasonable steps to ensure that the financial report complies with all recognition requirements and all measurement requirements as if it were a reporting entity.

Part 6—Exemptions for disclosing entities in relation to partial year reporting

24 Simplified outline of this Part

This Part sets out exemptions from the financial reporting requirements under Part 2M.3 of the Act for entities that commence, or cease, being a disclosing entity part way through a financial year. Subject to meeting various requirements, these exemptions:

- (a) relieve an entity from reporting as a disclosing entity for a financial year if it ceases to be a disclosing entity before the earlier of the lodgment deadline and the deadline for reporting to members; and

Part 10—Approval of electronic lodgment

42 Simplified outline of this Part

This Part sets out an approval and exemption that, subject to various requirements, allow listed disclosing entities to lodge certain reports electronically with the relevant market operator without also having to separately lodge the reports with ASIC.

43 Definitions in this Part

In this Part:

eligible financial market means a financial market operated by:

- (a) ASX Limited ACN 008 624 691; or
- (b) Cboe Australia Pty Ltd ACN 129 584 667; or
- (c) National Stock Exchange of Australia Limited ACN 000 902 063; or
- (d) Sydney Stock Exchange Limited ACN 080 399 220.

eligible report means a report that a listed disclosing entity has to prepare or obtain under Division 1 or 2 of Part 2M.3 of the Act and includes a concise report provided to members under section 314 of the Act and an amended report within the meaning of section 322 of the Act.

44 Electronic lodgment of reports with operators of eligible financial markets

- (1) ASIC approves the electronic lodgment of an eligible report by a listed disclosing entity that is included in the official list of an eligible financial market and that is a company or a registered scheme.
- (2) This approval applies where all the following are satisfied:
 - (a) the operator of the financial market is appointed as agent for ASIC to receive eligible reports electronically from listed disclosing entities;
 - (b) the eligible report is lodged with the operator electronically;

45 Approved forms not required to accompany electronically lodged reports

For the avoidance of doubt, a listed disclosing entity that lodges an eligible report in accordance with the approval in section 44 does not have to comply with regulations 1.0.08 and 1.0.09 of the *Corporations Regulations 2001* in relation to the report.
