Where this instrument applies

6. The exemption in paragraph 4 of this instrument applies to an acquisition of a relevant interest in ordinary shares in Verdant Minerals Limited ACN 122 131 622 (*Verdant*), which arises solely as a result of the entry by Soul Pattinson and CD Capital (together, the *Joint Acquirers*) into the Transaction Documents dated on or around 11 March 2019 for the purpose of enabling CD Capital to pursue the Scheme, where:

- (a) the Joint Acquirers must immediately terminate each Transaction Document, and all other relevant agreements entered into by any of the Joint Acquirers or their respective associates of which they are aware that affects a Joint Acquirer's voting power in Verdant and relates to the Scheme, if the Scheme does not, or will not, proceed (including because a condition precedent to the Scheme has not been, or cannot be, satisfied or waived);

8. On 30 June 2018, JBL issued a tax invoice to BHD of \$4,169,237 (excluding GST), which included performance fees, based on the impact on net tangible assets of the issue of convertible notes under the JB Trading Transaction. The amount referred to

19-0203

in the invoice was paid by BIID before the date of the invoice. The JB Trading Transaction was ultimately terminated.¹ BHD's preliminary final report² stated that:

"Due to a timing adjustment in relation to the proposed convertible note transaction with JB Trading House Pty Ltd and the subsequent exercise by the ASX of their discretion to require the Company to seek shareholder approval for the proposed convertible note transaction, fees of \$4,553,773 (which had been calculated on the basis that the transaction had been implemented at that time) were paid to the Investment Manager at 30 June 2018 and are now refundable."

9. On 3 August 2018, 536,585 JBL shares held by BHD were bought back by JBL for approximately \$1.1 million (\$2.05 per share). Also on 3 August 2018, 1,398,573 JBL shares held by HML were bought back by JBL for approximately \$2.8 million (\$2.05 per share).

11. On 5 September 2018, the boards of BHD and HML each considered confidential non-binding letters of intent from JBL for the proposed acquisition of all of the issued share capital in BHD and HML respectively. BHD and HML's boards each appointed a sub-committee to consider JBL's bid.
12. On 9 September 2018, BHD's board sub-committee approved entering into a bid implementation agreement with JBL. On 10 September 2018, HML's board sub-committee approved entering into a bid implementation agreement with JBL.

 - (a) all of the issued shares and options in BHD that it did not currently own and
 - (b) all the issued shares of HML that it did not currently own,

attaching signed bid implementation agreements. The announcement stated:

"If appropriate, following their consideration of HML's due diligence in relation to the HML Offer and their assessment of the independent expert report to be commissioned by them to consider the fairness and reasonableness of the offer, the HML independent directors have undertaken to recommend the HML Offer to HML shareholders in the absence of a superior proposal."

"Following their due diligence in respect of the BHD Offer, and the advice of an independent expert engaged by them to consider the fairness and reasonableness of the BHD Offer, the independent directors have undertaken to recommend the BHD Offer to BHD shareholders in the absence of a superior proposal."

¹ On 24 October 2018, BHD announced JB Trading had given notice to BHD terminating the JB Trading Transaction

² Released on ASX on or about 3 September 2018

19-0203

The announcement also included a statement (towards the end) that BHD and HML shareholders should carefully consider the target's statements before deciding whether to accept the bids.

14. In the bid implementation agreements, each of BHD and HML represented that their respective voting directors³ would unanimously recommend the bids in the absence of a superior proposal and subject to consideration of due diligence, matters detailed in any independent expert's report and the assessment of the bid by the expert. They also agreed to early dispatch of JBL's bidder's statements. The bid implementation agreements provided that parties would use best endeavours to comply with a timetable which included dispatch of BHD's and HML's target's statements and independent expert's reports at the same time as the bidder's statements (which, as noted below, did not occur).
15. JBL's bids for BHD and HML were not inter-conditional. Each bid was initially subject to a waivable 50.1% minimum acceptance condition.
16. On 17 September 2018, BHD's board agreed to amend the terms of a \$2.3 million convertible loan to JBFG, including extending the expiry date from 10 September 2018 to 11 March 2020.
17. On 17 September 2018, BHD's board agreed to convert the repayment of performance fees referred to in paragraph 8 into an unsecured loan of up to \$4.5 million at an interest rate of 11.50% per annum repayable within 18 months. Mr Stuart McAuliffe participated in this board decision.
18. On 16 October 2018, the boards of BHD and HML extended the loans to JBL (referred to in paragraph 10) for six months.
19. On 31 October 2018, JBL lodged bidder's statements in relation to its bids for BHD and HML. The bidder's statement for BHD stated on the first page:

"BHD'S VOTING DIRECTORS UNANIMOUSLY RECOMMEND THAT YOU ACCEPT THIS OFFER IN THE ABSENCE OF A SUPERIOR PROPOSAL"

 The bidder's statement for HML stated on the first page:

"HML'S VOTING DIRECTORS UNANIMOUSLY RECOMMEND THAT YOU ACCEPT THIS OFFER IN THE ABSENCE OF A SUPERIOR PROPOSAL"
20. The statements referred to in paragraph 19 were repeated throughout JBL's bidder's statements for BHD and HML. Prior to lodgement,⁴ BHD and HML had asked JBL to amend these statements to reflect the conditionality of the recommendation. JBL did not make the requested amendments.
21. On 9 November 2018, JBL announced that it had completed dispatch of its bidder's statements for both BHD and HML. At the time of dispatch, JBL had voting power

³ In the case of BHD – Messrs Aardoom and Cook. In the case of HML – Mr Ziegler and Ms Gunner

⁴ On 24 October 2018

of 0.19% in BHD and 11.07% in HML respectively. On the same day JBL also released an announcement "*clarifying*" (but not retracting) the statements referred to in paragraph 19 stating "*these statements must be read in the context of JBL's announcement of 10 September 2018 and other information provided in the Bidder's Statements despatched by JBL*".

22. On 22 November 2018, JBL:
 - (a) following discussions with ASIC, lodged supplementary bidder's statements in relation to its bids for BHD and HML. These supplementary bidder's statements, among other things, retracted the statements referred to in paragraph 19 and
 - (b) extended the offer period for its bids for BHD and HML to 14 January 2019.⁵ The extensions of the offer period for JBL's bids for BHD and HML triggered a right of withdrawal for BHD and HML shareholders who had accepted the bid before the date of the supplementary bidder's statement under ss650D(1)(a)(ii) and 650E of the *Corporations Act 2001* (Cth) (Act).
23. As at 22 November 2018, JBL had voting power in BHD and HML of 40.69% and 57.02% respectively.
24. On 26 November 2018, the same day that BHD and HML were required to lodge and dispatch their respective target's statements, the Panel affirmed earlier decisions of ASIC to refuse relief to BHD and HML to either (a) extend time for the dispatch of their target's statements or (b) permit them to lodge incomplete target's statements.⁶
25. On 27 November 2018, the voting directors of BHD and HML, in separate announcements, recommended to their shareholders for the first time that they take no action in relation to the JBL bids prior to the release of their respective target's statements.
26. On 6 December 2018, BHD and HML lodged their respective target's statements. Each target's statement:
 - (a) contained an independent expert's report concluding that the relevant bid is not fair but reasonable and
 - (b) included a statement that the voting directors recommend that shareholders accept the bid in the absence of a superior proposal.
27. The independent expert stated in its report on JBL's bid for BHD, as factors in determining that the bid is reasonable, that:
 - (a) "*BHD's current trading suspension, JBL's current relevant interest in BHD and BHD's significant exposure to JBL (through existing loans and convertible*

instruments) are likely to act as impediments to investors realising returns through distributions or capital appreciation in the near-term"

- (b) *"JBL's existing interest in BHD would likely act as a significant impediment to any third party considering a takeover offer for BHD as well as limit the ability of BHD Non-Associated shareholders who do not accept the BHD Offer to change investment manager in order to implement an alternative investment strategy"*
 - (c) *"JBL has a relevant interest in BHD in excess of 40% (subject to any withdrawals of acceptances) which may allow JBL to determine future investment decisions of BHD in addition to control of the management rights of BHD. JBL's relevant interest is also likely to preclude any other takeover offers for BHD or other corporate activity from a third party" and*
 - (d) *"Due to the significant loans made by BHD to JBL and JBFG, BHD has a dependency on JBL to be able to realise its investments in JBFG. BHD is unlikely to be able to realise the value of its loans other than in conjunction with JBL."*
28. On 24 December 2018, JBL announced that it had obtained shareholder approval for its bids for BHD and HML to proceed and declared both bids free of conditions.
29. The following transactions, which occurred after the announcement of JBL's bid, diminish the value of important assets of BHD making BHD less attractive to an acquirer and less likely to attract competing proposals (and as a result diminish the value of BHD if shareholders do not accept JBL's bid), in effect operating as a lock up device:
- (a) the loan provided by BHD to JBL described in paragraph 17
 - (b) the extension of the convertible loan to JBFG described in paragraph 16 and
 - (c) the extension of the loan to JBL described in paragraph 18.
30. JBL's bidder's statement in relation to its bid for BHD (as supplemented) did not adequately disclose:
- (a) the various relationships, and transactions, between JBL, BHD, HML, BRL, JBFG, JB Trading and their associates, noting that as the investment manager for BHD, HML and BRL, JBL had all the material information on this issue
 - (b) the risk that BHD shareholders will receive materially less value if JBL only obtains voting power of 50% or less in either or both BHD and HML
 - (c) the financial position of JBL and JBFG, including that audit opinions in both their most recent accounts refer to material uncertainty regarding going concern and
 - (d) the financial effect of the transactions referred to in paragraphs 10, 16, 17 and 18 and how they may impact on BHD shareholders' decision whether to accept the JBL bid.

19-0203

31. JBL's supplementary bidder's statement in relation to its bid for BHD did not adequately deal with ASIC's disclosure issues in a way that was accessible to BHD shareholders. BHD shareholders who had accepted the bid prior to the issue of JBL's supplementary bidder's statement were not adequately protected by the disclosure in the supplementary bidder's statement and the ability to withdraw their acceptances.
 32. The above disclosure issues have not been adequately remedied by the issue of BHD's target's statement and independent expert's report.
 33. The following in combination (among other things) indicate that BHD shareholders were denied sufficient time and information to assess the merits of JBL's bid and did not have the benefit of appropriate and sufficiently timely advice in relation to JBL's bid:
 - (a) BHD agreeing in advance and without qualification, in the bid implementation agreement, to early dispatch of the bidder's statement
 - (b) BHD and JBL not ensuring that the target's statement and independent expert's report were dispatched at the same time as the bidder's statement, as envisaged in the bid implementation agreement timetable that each party agreed to use its best endeavours to comply with
 - (c) JBL and BHD's directors' failure to promptly alert BHD shareholders of their concerns regarding JBL's bidder's statement including the fact that statements in the bidder's statement misrepresented the conditionality of the voting directors' recommendation (referred to in paragraphs 19 and 20)
 - (d) BHD dispatching its target's statement and independent expert's report late, in contravention of items 11 and 12 of s631(1) of the Act
 - (e) BHD's directors' failure to clearly advise its shareholders prior to 27 November 2018 to take no action in relation to the JBL bid before considering the target's statement and independent expert's report and
-
- (f) the almost identical responses of both BHD and HML to JBL's bids.

EFFECT

34. It appears to the Panel that:
 - (a) the acquisition of control over voting shares in BHD has not taken place in an efficient, competitive and informed market
 - (b) the holders of shares in BHD have not been given enough information to enable them to assess the merits of JBL's bid and
 - (c) as a result of the lock up device referred to in paragraph 29, the holders of shares in BHD have been denied a reasonable and equal opportunity to participate in the benefits of JBL's bid.

CONCLUSION

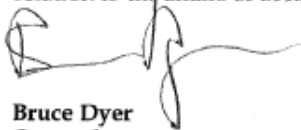

19-0203

35. It appears to the Panel that the circumstances are unacceptable circumstances:

- (a) having regard to the effect that the Panel is satisfied they have had, are having, will have or are likely to have on:
 - (i) the control, or potential control, of BHD or
 - (ii) the acquisition, or proposed acquisition, by a person of a substantial interest in BHD
- (b) in the alternative, in relation to the effect the circumstances have had, are having, will have or are likely to have in relation to BHD, having regard to the purposes of Chapter 6 set out in section 602 of the Act and
- (c) in the further alternative, because they constituted, constitute, will constitute or are likely to constitute a contravention of a provision of Chapter 6 of the Act.

DECLARATION

The Panel declares that the circumstances constitute unacceptable circumstances in relation to the affairs of BHD.

17. On 31 October 2018, JBL lodged bidder's statements in relation to its bids for BHD and HML. The bidder's statement for BHD stated on the first page:
- "BHD'S VOTING DIRECTORS UNANIMOUSLY RECOMMEND THAT YOU ACCEPT THIS OFFER IN THE ABSENCE OF A SUPERIOR PROPOSAL"*
- The bidder's statement for HML stated on the first page:

18. The statements referred to in paragraph 17 were repeated throughout JBL's bidder's statements for BHD and HML. Prior to lodgement,² BHD and HML had asked JBL to amend these statements to reflect the conditionality of the recommendation. JBL did not make the requested amendments.
19. On 9 November 2018, JBL announced that it had completed dispatch of its bidder's statements for both BHD and HML. 22. On 26 November 2018, the same day that BHD and HML were required to lodge and dispatch their respective target's statements, the Panel affirmed earlier decisions of ASIC to refuse relief to BHD and HML to either (a) extend time for the dispatch of their target's statements or (b) permit them to lodge incomplete target's statements.⁴
23. On 27 November 2018, the voting directors of BHD and HML, in separate announcements, recommended to their shareholders for the first time that they take no action in relation to the JBL bids prior to the release of their respective target's statements.
24. On 6 December 2018, BHD and HML lodged their respective target's statements. Each target's statement:
 - (a) contained an independent expert's report concluding that the relevant bid is not fair but reasonable and
 - (b) included a statement that the voting directors recommend that shareholders accept the bid in the absence of a superior proposal.
25. The independent expert stated in its report on JBL's bid for HML, as a factor in determining that the bid is reasonable, that:

"JBL has a relevant interest in HML in excess of 50% (subject to any withdrawals of acceptances) which may allow JBL to determine future investment decisions of HML in addition to control of the management rights of HML. JBL's existing interest in HML is also likely to preclude any other takeover offers for HML or other corporate activity from a third party"
26. On 24 December 2018, JBL announced that it had obtained shareholder approval for its bids for BHD and HML to proceed and declared both bids free of conditions.
27. JBL's bidder's statement in relation to its bid for HML (as supplemented) does not adequately disclose:
 - (a) the various relationships, and transactions, between JBL, BHD, HML, BRL, JBFG, JB Trading and their associates, noting that as the investment manager for BHD, HML and BRL, JBL had all the material information on this issue
 - (b) the risk that HML shareholders will receive materially less value if JBL only obtains voting power of 50% or less in either or both BHD and HML
 - (c) the financial position of JBL and JBFG, including that audit opinions in both their most recent accounts refer to material uncertainty regarding going concern and

- (d) the financial effect of the transactions referred to in paragraphs 8, 14 and 15 and how they may impact on HML shareholders' decision whether to accept the JBL bid.
28. JBL's supplementary bidder's statement in relation to its bid for HML did not adequately deal with ASIC's disclosure issues in a way that was accessible to HML shareholders. HML shareholders who had accepted the bid prior to the issue of JBL's supplementary bidder's statement were not adequately protected by the disclosure in the supplementary bidder's statement and the ability to withdraw their acceptances.
29. The above disclosure issues have not been adequately remedied by the issue of HML's target's statement and independent expert's report.
30. The following in combination (among other things) indicate that HML shareholders were denied sufficient time and information to assess the merits of JBL's bid and did not have the benefit of appropriate and sufficiently timely advice in relation to JBL's bid:
- (a) HML agreeing in advance and without qualification, in the bid implementation agreement, to early dispatch of the bidder's statement
 - (b) HML and JBL not ensuring that the target's statement and independent expert's report were dispatched at the same time as the bidder's statement, as envisaged in the bid implementation agreement timetable that each party agreed to use its best endeavours to comply with
 - (c) JBL and HML's directors' failure to promptly alert HML shareholders of their concerns regarding JBL's bidder's statement including the fact that statements in the bidder's statement misrepresented the conditionality of the voting directors' recommendation (referred to in paragraphs 17 and 18)
 - (d) HML dispatching its target's statement and independent expert's report late, in contravention of items 11 and 12 of s631(1) of the Act
 - (e) HML's directors' failure to clearly advise its shareholders prior to 27 November 2018 to take no action in relation to the JBL bid before considering the target's statement and independent expert's report and
 - (f) the almost identical responses of both BHD and HML to JBL's bids.

EFFECT

31. It appears to the Panel that:
- (a) the acquisition of control over voting shares in HML has not taken place in an efficient, competitive and informed market and
 - (b) the holders of shares in HML have not been given enough information to enable them to assess the merits of JBL's bid.

CONCLUSION

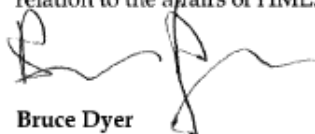

19-0205

32. It appears to the Panel that the circumstances are unacceptable circumstances:

- (a) having regard to the effect that the Panel is satisfied they have had, are having, will have or are likely to have on:

2. At the end of 5 days after the Commencement Date, all acceptances of JBL's bid at that time are cancelled.
3. After the operation of Order 2, any acceptance of JBL's bid received before dispatch of the Further Disclosure (or on an acceptance form attached to the Bidder's Statement whether received before or after dispatch of the Further Disclosure) is cancelled at the time it is received by JBL.
4. JBL must within 5 days of the Commencement Date dispatch a supplementary bidder's statement, in a form acceptable to ASIC, to all HML shareholders explaining the effect of the Panel's declaration and orders, including that any acceptances of JBL's bid received before dispatch of the Further Disclosure are cancelled.
5. HML must within 5 days of the Commencement Date dispatch a supplementary target's statement, in a form acceptable to ASIC, to all HML shareholders explaining the effect of the Panel's declaration and orders and stating that HML shareholders should wait until they receive the Supplementary Target's Statement and Supplementary Expert's Report before deciding whether to accept JBL's bid.
6. Within 30 days after the Commencement Date, JBL must dispatch either of the following to HML shareholders:
 - (a) a Replacement Bidder's Statement complying with Order 8 (in a form acceptable to ASIC) or

 - (c) the risk that HML shareholders will receive materially less value if JBL only obtains voting power of 50% or less in either or both HML and BHD
 - (d) most recent financial statements of JBL and HML noting the effect of the repayment of the JBL Loan on JBL
 - (e) a prominent statement noting that the most recent audit opinions of JBL and JBFG refer to material uncertainty regarding going concern
 - (f) details of the financial effect of the transactions referred to in paragraphs 8 (including the extension) and 14 of the Declaration and the repayment of the JBL Loan and how each may impact on HML shareholders' decision whether to accept the JBL bid and
 - (g) acceptance forms that are identifiably different from the acceptance forms in the Bidder's Statement.
9. JBL may reintroduce any conditions originally in the Bidder's Statement in the Replacement Bidder's Statement. If JBL does so in relation to a condition, its notice under s650F dated 24 December 2018 has no effect as it is stated to apply to that condition.
