**Australian Securities and Investments Commission  
Corporations Act 2001—Paragraph 601QA(1)(a) - Exemption**

**Enabling Legislation**

1. The Australian Securities and Investments Commission (**ASIC**) makes this instrument under paragraph 601QA(1)(a) of the *Corporations Act 2001* (the *Act*).

**Title**

2. This instrument is ASIC Instrument 19-1152.

**Commencement**

3. This instrument commences on the date it is signed.

**Exemption**

4. Perennial Investment Management Limited (ACN 108 747 637) (**Responsible Entity**) in its capacity as responsible entity of the eInvest Core Income Fund (Managed Fund) (ARSN 631 537 810) (**ECOR**) and eInvest Income Maximiser Fund (Managed Fund) (ARSN 631 537 703) (**EMAX**) (each a **Fund**), each a Chi-X quoted managed fund, does not have to comply with paragraph 601FC(1)(d) of the Act to the extent that it would prevent the Responsible Entity from permitting only authorised participants to withdraw from a Fund.

*Where the exemption applies*

5. The exemption applies in respect of a Fund where all of the following are satisfied:
  - (a) there is a Product Disclosure Statement in relation to interests in the Fund that are investment products admitted to quotation by Chi-X that includes statements to the effect that:
    - (i) ECOR gains its exposure by investing in the Daintree Core Income Trust (ARSN 617 947 690) and cash. The Fund targets an absolute return over time by investing in short-term money market securities, Australian and global investment grade fixed income securities;
    - (ii) EMAX gains its exposure by investing in the Daintree High Income Trust (ARSN 625 621 721) and cash. The Fund targets an absolute return over time by investing in short-term money market securities, Australian and global investment grade fixed income securities and high-yield fixed income securities;

19-1152

- (iii) the Responsible Entity will not treat members of the same class equally to the extent that it restricts withdrawal from the Fund to authorised participants;
- (iv) except in exceptional circumstances only authorised participants may withdraw their interests from the Fund, but other members may sell their interests on the Chi-X Market;
- (v) when interests in the Fund are suspended from trading on the Chi-X Market for more than 5 consecutive Business Days, members have a right to withdraw from the Fund and receive payment for their interests in money within a reasonable time of request unless any of the following apply:
  - (A) the Fund is being wound-up;
  - (B) the Fund is not liquid as defined in subsection 601KA(4) of the Act;
  - (C) the Responsible Entity suspends withdrawals in accordance with the constitution;
- (b) the constitution of the Fund does not permit a withdrawal fee per interest in the Fund to be payable by a member who is not an authorised participant that is greater than the withdrawal fee per interest that would generally be payable by an authorised participant receiving redemption proceeds in cash while interests in the Fund are quoted when withdrawing the minimum parcel; and
- (c) ASIC has not notified the Responsible Entity in writing that it is excluded from reliance on the exemption.

Note: Subparagraph 5(b) applies regardless of whether the withdrawal fees for the Fund are calculated on a per interest basis or otherwise.
