Corporations Act 2001—Paragraph 601QA(1)(a) - Exemption**

**Enabling Legislation**

1. The Australian Securities and Investments Commission (*ASIC*) makes this instrument under paragraph 601QA(1)(a) of the *Corporations Act 2001* (the *Act*).

**Title**

2. This instrument is ASIC Instrument 21-0129.

**Commencement**

3. This instrument commences on the date it is signed.

**Exemption—Unequal treatment in withdrawal from a Chi-X managed fund**

4. Elstree Investment Management Limited (ACN 079 036 810) (**Responsible Entity**) in its capacity as the responsible entity of the Elstree Hybrid Fund ARSN 646 121 280 (**Fund**), a Chi-X quoted fund, does not have to comply with paragraph 601FC(1)(d) of the Act to the extent that it would prevent the responsible entity from permitting only authorised participants to withdraw their interest in the Fund.

*Where the exemption applies*

5. The exemption applies where all of the following are satisfied:
  - (a) there is a Product Disclosure Statement in relation to interests in the Fund that are investment products admitted to quotation by Chi-X that includes statements to the effect that:
    - (i) the Fund invests primarily in global listed equity securities on recognised exchanges and investment grade bonds creating a diversified portfolio of exchange traded hybrid securities and taking advantage of market inefficiencies.
    - (ii) the Responsible Entity will not treat members of the same class equally to the extent that it restricts withdrawal from the Fund to authorised participants;
    - (iii) except in exceptional circumstances only authorised participants may withdraw their interests from the Fund, but other members may sell their interests on the Chi-X Market;
    - (iv) when interests in the Fund are suspended from trading on the Chi-X Market for more than 5 consecutive Business Days, members have a right to withdraw from the Fund and receive payment for their interests

in money within a reasonable time of request unless any of the following apply:

- (A) the Fund is being wound-up;
  - (B) the Fund is not liquid as defined in subsection 601KA(4) of the Act;
  - (C) the Responsible Entity suspends withdrawals in accordance with the constitution;
- (b) the constitution of the Fund does not permit a withdrawal fee per interest in the Fund to be payable by a member who is not an authorised participant that is greater than the withdrawal fee per interest that would generally be payable by an authorised participant receiving redemption proceeds in cash while interests in the Fund are quoted when withdrawing the minimum parcel;
- (c) ASIC has not notified the Responsible Entity in writing that it is excluded from reliance on the exemption; and
- (d) where an authorised participant is not an Australian resident for tax purposes, the Responsible Entity is able to recover any withholding tax liability arising on any distribution of income referable to a redemption amount payable to the authorised participant.

**CORPORATIONS ACT  
SECTION 657A  
DECLARATION OF UNACCEPTABLE CIRCUMSTANCES**

**THE AGENCY GROUP AUSTRALIA LIMITED 01 & 02**

**CIRCUMSTANCES**

1. The Agency Group Australia Limited (**Agency**) is an ASX listed company (ASX code: AU1).
2. On 24 November 2020, Agency gave notice (**Notice**) convening its Annual General Meeting to be held on 23 December 2020 (**AGM**). The resolutions to be put to shareholders at the AGM included resolutions (**Peters Resolutions**):
  - (a) to approve the issue of convertible notes and options to Peters Investments Pty Ltd (**Peters**) to support an investment of \$5 million by Peters and
  - (b) to ratify the issue (under ASX Listing Rule 7.4) and approve amendment (under ASX Listing Rule 6.23.4) of convertible notes and options issued to Peters under an agreement announced by Agency on 15 May 2020.
3. The Notice listed advantages of the approval in paragraph 2(a) as including that it would “*significantly reduce the risk of [Agency] defaulting*” on a loan and “*may be [Agency’s] only option for funding in the near future*”.
4. On 4 December 2020, Magnolia Equities III Pty Ltd (**Magnolia**) sent a letter to Agency and ASX stating that it intended to make a cash takeover bid for 100% of Agency shares, providing Agency shareholders with “*a competing proposal to the Peters Proposal discussed in [Agency’s Notice]*”. The letter indicated that the proposed bid would be subject to a number of defeating conditions, including a condition that none of the Peters Resolutions be moved or passed at the AGM. The letter stated that further information regarding the bid would be included in Magnolia’s bidder’s statement and included an indicative timetable showing that Magnolia’s bidder’s statement would be lodged with ASIC, ASX and Agency in “*Late December 2020*” and stated that “*the Bid potentially provides [Agency] shareholders with a cash exit strategy ... and a real alternative to the Peters Proposal*”.
5. On 4 December 2020, Agency requested that Magnolia provide “*...as a matter of urgency, cogent information as to financial resources available to Magnolia, and the financial arrangements made by Magnolia, with respect to the proposed bid*”.

## 21-0155

6. On 22 December 2020, in order to comply with an interim order made by the Panel on application by Magnolia, Agency postponed the AGM to 9:00am (WST) on 30 December 2020.
7. On 29 December 2020, Agency announced that it had requested a trading halt and the Board had resolved to further postpone the AGM to 9:00am (WST) on 4 January 2021.
8. On 4 January 2021, at 9:32am (Melbourne time), Magnolia's Bidder's Statement dated 3 January 2021 in relation to its offer for Agency (**Bidder's Statement**) was released on ASX's market announcements platform. The Bidder's Statement:
  - (a) stated that the total amount of consideration Magnolia will be required to provide if all offers are accepted is \$9,967,656.56
  - (b) indicated that Magnolia has access to \$10,000,000 in cash to pay the consideration from various sources including:
    - (i) Mr Atkins has \$7.5 million in a bank account "*which he has undertaken to make available*" and \$3.5 million in liquid listed equities (excluding Agency shares) "*which can be readily sold*" if required
    - (ii) net assets of Mr Atkins and his spouse (**the Controllers**), the net asset position of whom "*has been verified by a qualified accountant*", includes net assets of no less than \$20 million (including repayment of liabilities owed to them by Magnolia and its related bodies corporate (**Magnolia Group**)) – the Controllers having "*agreed with Magnolia to support it to perform its obligations under the Bid*" and
    - (iii) net assets of Magnolia Group of \$40 million (as at 31 December 2020) which have "*been verified by a qualified accountant*" and Magnolia Group "*has undertaken to make available to Magnolia*"
  - (c) stated that Magnolia has also obtained "*not less than \$18 million in commitments from various wholesale investors known to Magnolia*"
  - (d) does not indicate whether the undertakings and agreements in paragraph 8(b) have been documented and does not state that Mr Atkins, his spouse, related bodies corporate of Magnolia or the referenced "*qualified accountant[s]*" have given consents in accordance with section 636(3) in respect of statements on which paragraph 8(b) is based and
  - (e) implies that the commitments in paragraph 8(c) are a source of funding to pay the consideration, in circumstances where Magnolia has submitted to the Panel that the commitments were provided "*to allow shareholders to form a view as to the capacity of the bidder to give effect to its intentions*".

21-0155

**EFFECT**

9. Proper assessment of Magnolia's proposal has been, and continues to be, inhibited by a failure to indicate clearly which sources of funding are to be used to pay the consideration, that persons providing cash consideration were appropriately bound to do so or had otherwise accepted responsibility for statements regarding their intention to provide funding and were aware of their potential liability for loss or damage resulting from misstatements or omissions.

**CONCLUSION**

10. It appears to the Panel that the circumstances are unacceptable circumstances:
- (a) having regard to the effect that the Panel is satisfied they have had, are having, will have or are likely to have on:
    - (i) the control, or potential control, of Agency or
    - (ii) the acquisition, or proposed acquisition, by a person of a substantial interest in Agency
  - (b) in the alternative, having regard to the purposes of Chapter 6 set out in section 602
  - (c) in the further alternative, because they gave or give rise to, or will or are likely to give rise to, a contravention of a provision of Chapter 6.
11. The Panel considers that it is not against the public interest to make a declaration of unacceptable circumstances. It has had regard to the matters in section 657A(3).

**DECLARATION**

The Panel declares that the circumstances constitute unacceptable circumstances in relation to the affairs of The Agency Group Australia Limited.
