1020F(1)(a) - Declaration and Exemption**

Enabling legislation

1. The Australian Securities and Investments Commission (*ASIC*) makes this instrument under paragraphs 601QA(1)(a), 601QA(1)(b), 655A(1)(b) and 1020F(1)(a) of the *Corporations Act 2001 (Act)*.

Title

2. This instrument is ASIC Instrument 25-0516.

Commencement

3. This instrument commences on the date it is signed.

Exemption

4. La Trobe Financial Asset Management Limited ACN 007 332 363 (*La Trobe*) in its capacity as the responsible entity of La Trobe Private Credit Fund ARSN 686 964 312 (*Scheme*) does not have to comply with:
 - (a) paragraph 601FC(1)(d) of the Act to the extent that it requires the responsible entity of a registered scheme to treat members who hold interests in the same class equally;
 - (b) paragraph 601FG(1)(a) of the Act; and
 - (c) Division 5A of Part 7.9 of the Act.

Declaration

5. Chapter 5C of the Act applies to a responsible entity as if Part 5C were modified or varied by, after Part 5C.6, inserting:

“Part 5C.6B - Buy-backs by listed schemes

Division 1- Preliminary

601KJ Application of this Part

This Part applies to the purchase of interests in a listed managed investment scheme by the responsible entity of the scheme where the purchase is off-market and does not take place in the ordinary course of trading on the financial market of ASX Limited (*ASX*), and the purchase price is paid from scheme property. For the purposes of this Part, such a purchase is referred to as a *buy-back*.

25-0516

Division 2 – Requirements for buy-backs**601KK Constitutional provisions about buy-backs**

If the responsible entity of the scheme is to have the power to buy back interests in the scheme, the power must be specified in the scheme's constitution.

601KL Procedural requirements for buy-backs

- (1) A responsible entity must not buy back an interest in the scheme otherwise than in accordance with the scheme's constitution and this section.
- (2) A responsible entity may buy back an interest if it does not materially prejudice the responsible entity's ability to pay its creditors in relation to liabilities incurred or acquired by it as responsible entity of the scheme.
- (3) A responsible entity that buys back an interest in the scheme:
 - (a) must only buy the interest if:
 - (i) the buy-back is off-market; and
 - (ii) the buy-back is covered by subsection (5) to (7) or subsection (8); and
 - (b) if it reasonably believes that it complies with the listing rules of the ASX that apply to buy-backs as if:
 - (i) the scheme were a company included in the official list of the financial market of the ASX; and
 - (ii) interests in the scheme were shares in the company; and

Note: The listing rules of ASX that apply to off-market buy-backs include:
Listing Rule 3.8A (company making a buy-back), including Appendix 3C:
Announcement of buy-back; Appendix 3D: Change relating to buy-back; Appendix
3E: Daily notification; and Appendix 3F: Final notice.

- (c) must not dispose of the interests it buys back.
- (4) immediately after registration of the transfer to the responsible entity of the interests bought back, the interests are cancelled.

Buy-backs within the 10/12 limit

- (5) If the responsible entity proposes to buy back an interest in the scheme within the 10/12 limit, the responsible entity must give a notice to ASX which:
 - (a) discloses the responsible entity's intention to buy back interests in the scheme within the 10/12 limit; and

25-0516

(b) sets out:

- (i) the number of interests in the scheme held by the responsible entity and any associate of the responsible entity; and
- (ii) the source of funds to pay for any interests bought back.

(6) The responsible entity:

(a) must not buy back an interest for at least 14 days after giving the notice; and

(b) must start buying back interests:

- (i) if a date is specified in the notice by which the responsible entity will start to buy back interests—by that date; or
- (ii) otherwise—within 2 months of the date of the notice; and

Note: If the responsible entity does not start buying back interests within the period referred to in paragraph (b) but the responsible entity wishes to proceed with the buy-back, it will need to give another notice to ASX in accordance with subsection (5).

(c) must not buy back an interest which would exceed the 10/12 limit except in accordance with subsection (8).

(7) The responsible entity may buy back an interest in the scheme for a period of 12 months from the date of the giving of the notice. If the responsible entity proposes to buy back an interest in the scheme beyond that period, it must give ASX a further notice:

(a) disclosing the responsible entity's intention to continue to buy back interests; and

(b) setting out the matters referred to in paragraph (5)(b).

Each notice extends the period in which the responsible entity may continue to buy back interests in the scheme by 12 months provided it is given to ASX before the expiry of the period covered by the previous notice.

Buy-backs which would exceed the 10/12 limit

(8) If the responsible entity proposes to buy back an interest in the scheme which would exceed the 10/12 limit it must have:

(a) obtained, by resolution at a meeting of members of the scheme in the last 12 months, the approval of members of the terms of the proposed buy-back arrangement; and

(b) included with the notice of meeting a statement setting out all information known to the responsible entity that was material to the decision how to vote on the resolution other than information that it would be unreasonable to require the

25-0516

responsible entity to disclose because it had previously disclosed the information to the scheme's members.

Interpretation

(9) The **10/12 limit** for a responsible entity of a scheme proposing to make a buy-back is 10% of the smallest number at any time during the last 12 months of interests in the scheme.

(10) A proposed buy-back would exceed the 10/12 limit if the number of:

(a) interests in the scheme that have been bought back during the last 12 months; and

(b) interests that will be bought back if the proposed buy-back is made,

would exceed the 10/12 limit.

601KM Interaction with other provisions of this Chapter

For the avoidance of doubt, subsection 601GA(4) and Part 5C.6 do not apply to a buy-back under this Part.”

Takeovers

6. Chapter 6 of the Act applies to La Trobe in its capacity as responsible entity of the Scheme as if section 609 of the Act was modified or varied by inserting after subsection (4):

“(4A) A person does not have a relevant interest in interests of a managed investment scheme if the relevant interest would arise merely because the responsible entity of the scheme has entered into an agreement to buy-back interests in the scheme.”

7. Chapter 6 of the Act applies to La Trobe and to the Members as if the table in section 611 of the Act, were modified or varied by inserting after item 19A:

“19B An acquisition that results from the responsible entity of a registered scheme buying interests in the scheme.”

Where this instrument applies

8. This instrument applies where:

(a) La Trobe makes an invitation to all Members (except Excluded Foreign Holders) to participate in the Buy-Back at the Buy-Back Price;

(b) La Trobe has given the Explanatory Statement to all Members who are eligible to participate under the Buy-Back that:

25-0516

- (i) states all information known to La Trobe that is material to the decision of a member of the Scheme whether or not to participate in the Buy-Back;
 - (ii) specifies the period to elect to participate in the Buy-Back, being at least 21 days;
 - (iii) specifies the scheme assets that will be used to satisfy the liability to pay for interests to be bought back under the Buy-Back; and
 - (iv) specifies the Buy-Back Execution Rules to be applied if elections to participate in the Buy-Back exceed the Buy-Back Limit;
- (c) after the Explanatory Statement is given to the Members, the Members have a reasonable opportunity to elect to participate in the Buy-Back at the Buy-Back Price; and
- (d) La Trobe carries out the Buy-Back in accordance with the terms as described in the Explanatory Statement under which all Members are to be treated equally except:
- (i) Excluded Foreign Holders and any offer from an Excluded Foreign Holder for the sale of Units received by La Trobe need not be accepted by La Trobe; and
 - (ii) elections to participate in the Buy-Back will be accepted in accordance with the Buy-Back Execution Rules.

Interpretation

9. In this instrument:

Buy-Back means an acquisition of Units by La Trobe through an off market buy-back in accordance with this instrument.

- (b) equal to or less than the Buy-Back Limit then all Units elected by Members to participate in the Buy-Back are bought back.

Buy-Back Limit is the maximum number of Units that may be bought back under the Buy-Back as set out in the Explanatory Statement, being up to the lower of 5% of the

25-0516

issued interests of the Scheme at the Buy-Back Price and, unless member approval is obtained in accordance with subsection 601KL(8), the 10/12 limit.

Excluded Foreign Holders means a Unitholder who La Trobe determines to exclude on the basis that:

- (b) the Unitholder resides in a jurisdiction where it would be illegal under the laws of that jurisdiction to make an invitation to the Unitholder or for the Unitholder to participate in the Buy-Back; or
- (c) the Unitholder resides in a jurisdiction outside Australia or New Zealand and it would be unreasonable to make an invitation to the Unitholder having regard to each of the following:
 - (i) the number of Unitholders in that jurisdiction;
 - (ii) the number and the value of Units held by Unitholders in that jurisdiction; and
 - (iii) the cost of complying with legal requirements and the requirements of any relevant regulatory authority applicable to make the invitation in that jurisdiction.
