 - (b) paragraph 601FG(1)(a) of the Act; and
 - (c) Division 5A of Part 7.9 of the Act.

Declaration

5. Chapter 5C of the Act applies to a responsible entity as if Part 5C were modified or varied by, after Part 5C.6, inserting:

"Part 5C.6B - Buy-backs by listed schemes

Division 1 - Preliminary

601 KJ Application of this Part

This Part applies to the purchase of interests in a listed managed investment scheme by the responsible entity of the scheme where the purchase is off-market and does not take place in the ordinary course of trading on the financial market of ASX Limited (ASX), and the purchase price is paid from scheme property. For the purposes of this Part, such a purchase is referred to as a *buy-back*.

Division 2- Requirements for buy-backs**601 KK Constitutional provisions about buy-backs**

If the responsible entity of the scheme is to have the power to buy back interests in the scheme, the power must be specified in the scheme's constitution.

601 KL Procedural requirements for buy-backs

- (1) A responsible entity must not buy back an interest in the scheme otherwise than in accordance with the scheme's constitution and this section.
- (2) A responsible entity may buy back an interest if it does not materially prejudice the responsible entity's ability to pay its creditors in relation to liabilities incurred or acquired by it as responsible entity of the scheme.
- (3) A responsible entity that buys back an interest in the scheme:
 - (a) must only buy the interest if:
 - (i) the buy-back is done off-market; and
 - (ii) the buy-back is covered by subsection (5) to (7) or subsection (8); and
 - (b) if it reasonably believes that it complies with the listing rules of the ASX that apply to buy-backs as if:
 - (i) the scheme were a company included in the official list of the financial market of the ASX; and
 - (ii) interests in the scheme were shares in the company; and
 - (c) must not dispose of the interests it buys back.
- (4) Immediately after registration of the transfer to the responsible entity of the interests bought back, the interests are cancelled.

Note: The listing rules of ASX that apply to off-market buy-backs include:
Listing Rule 3.8A (company making a buy-back), including Appendix 3C:
Announcement of buy-back; Appendix 3D: Change relating to buy-back;
Appendix 3E: Daily notification; and Appendix 3F: Final notice; and

Buy-backs within the 10/12 limit

- (5) If the responsible entity proposes to buy back an interest in the scheme within the 10/12 limit, the responsible entity must give a notice to ASX which:
 - (a) discloses the responsible entity's intention to buy back interests in the scheme within the 10/12 limit; and
 - (b) sets out:
 - (i) the number of interests in the scheme held by the responsible entity and any associate of the responsible entity; and
 - (ii) the source of funds to pay for any interests bought back.

- (6) The responsible entity:
- (a) must not buy back an interest for at least 14 days after giving the notice; and
 - (b) must start buying back interests:
 - (i) if a date is specified in the notice by which the responsible entity will start to buy back interests —by that date; or
 - (ii) otherwise — within 2 months of the date of the notice; and
- Note: If the responsible entity does not start buying back interests within the period referred to in paragraph (b) but the responsible entity wishes to proceed with the buy-back, it will need to give another notice to ASX in accordance with subsection (5).
- (c) must not buy back an interest which would exceed the 10/12 limit except in accordance with subsection (8).
- (7) The responsible entity may buy back an interest in the scheme for a period of 12 months from the date of the giving of the notice. If the responsible entity proposes to buy back an interest in the scheme beyond that period it must give ASX a further notice:
- (a) disclosing the responsible entity's intention to continue to buy back interests; and
 - (b) setting out the matters referred to in paragraph (5)(b).

Each notice extends the period in which the responsible entity may continue to buy back interests in the scheme by 12 months provided it is given to ASX before the expiry of the period covered by the previous notice.

Application Monies

Buy-backs which would exceed the 10/12 limit

- (8) If the responsible entity proposes to buy back an interest in the scheme which would exceed the 10/12 limit it must have:
- (a) obtained, by resolution at a meeting of members of the scheme in the last 12 months, the approval of members of the terms of the proposed buy-back arrangement; and
 - (b) included with the notice of meeting a statement setting out all information known to the responsible entity that was material to the decision how to vote on the resolution other than information that it would be unreasonable to require the responsible entity to disclose because it had previously disclosed the information to the scheme's members.

Interpretation

- (9) The **10/12 limit** for a responsible entity of a scheme proposing to make a buy-back is 10% of the smallest number, at any time during the last 12 months of

interests in the scheme.

(10) A proposed buy-back would exceed the 10/12 limit if the number of:

- (a) interests in the scheme that have been bought back during the last 12 months; and
- (b) interests that will be bought back if the proposed buy-back is made, would exceed the 10/12 limit.

601 KM Interaction with other provisions of this Chapter

For the avoidance of doubt subsection 601GA(4) and Part 5C.6 do not apply to a buy-back under this Part.”.

Takeovers

6. Chapter 6 of the Act applies to the Responsible Entity in its capacity as responsible entity of the Scheme as if section 609 of the Act was modified or varied by inserting after subsection (4):

“(4A) A person does not have a relevant interest in interests of a managed investment scheme if the relevant interest would arise merely because the responsible entity of the scheme has entered into an agreement to buy-back interests in the scheme.”

7. Chapter 6 of the Act applies to the Responsible Entity and to the members of the Scheme as if the table in section 611 of the Act, as modified or varied by *ASIC Corporations (ASX-listed Schemes On-market Buy-backs) Instrument 2016/1159* (ASIC Instrument 2016/1159), were further modified or varied by inserting after item 19A:

“(19B) An acquisition that results from the responsible entity of a registered scheme buying interests in the scheme”.

8. Part 7.9 of the Act applies in relation to the Responsible Entity as if section 1017E of the Act were modified or varied as follows:
- (a) in paragraph 1017E(4)(d) of the Act, omit "one month" and substitute "90 days"; and
 - (b) in paragraph 1017E(4)(e) of the Act, omit "end of that month" and substitute "end of the period referred to in paragraph (4)(d)".

Where this instrument applies

9. The exemption in paragraphs 4 and declarations in paragraphs 5, 6 and 7 apply where:
- (a) The Responsible Entity makes an invitation to all members of the Scheme (except Excluded Foreign Holders) to participate in the Buy-Back at the Buy-

- Back Price;
- (b) The Trust Company has given the Explanatory Statement to all members of the Scheme who are eligible to participate under the Buy-Back that:
 - (i) states all information known to The Trust Company that is material to the decision of a member of the Scheme whether or not to participate in the Buy-Back;
 - (ii) specifies the period to elect to participate in the Buy-Back, being at least 21 days;
 - (iii) specifies the scheme assets that will be used to satisfy the liability to pay for interests to be bought back; and
 - (iv) specifies the Buy-Back Execution Rules to be applied if elections to participate in the Buy-Back exceed the Buy-Back Limit;
 - (c) after the Explanatory Statement is given to members of the Scheme, the members have a reasonable opportunity to elect to participate in the Buy-Back at the Buy-Back Price; and
 - (d) The Trust Company carries out the Buy-Back in accordance with the terms as described in the Explanatory Statement under which all members of the Scheme are to be treated equally except:
 - (i) Excluded Foreign Holders and any offer from an Excluded Foreign Holder for the sale of Units in the Scheme received by The Trust Company need not be accepted by The Trust Company; and
 - (ii) elections to participate in the Buy-Back will be accepted in accordance with the Buy-Back Execution Rules.
10. The declaration in paragraph 8 applies in relation to the offer of interests in the MaxCap Real Estate Income Trust under the initial public offering where the Product Disclosure Statement lodged with ASIC includes a statement to the effect that money paid for the interests in the MaxCap Real Estate Income Trust may be held for up to 90 days starting on the day on which the money is received before the interests are issued or the money is returned.

Interpretation

11. In this instrument:

Buy-Back means an acquisition of Units in the Scheme by the Responsible Entity through an off market buy-back in accordance with this instrument.

Buy-Back Cancellation of Units Date means the date on which Units which are the subject of the Buy-Back are cancelled as set out in the Explanatory Statement.

Buy-Back Closing Date means the closing date of the Buy-Back.

Buy-Back Date means the date the Units will be bought back.

Buy-Back Execution Rules means if at the Buy-Back Closing Date, the Responsible Entity has received elections to participate in the Buy-Back that in aggregate are:

- (a) more than the Buy-Back Limit then all Units elected by Unitholders to participate in the Buy-Back are bought back subject to a reduction by the same proportion (pro rata subject to rounding of fractions); or
- (b) equal to or less than the Buy-Back Limit then all Units elected by Unitholders to participate in the Buy-Back are bought back.

Buy-Back Limit is the maximum number of Units that may be bought back under the Buy-Back as set out in the Explanatory Statement, being up to the lower of 5% of the issued interests of the Scheme at the Buy-Back Price and, unless member approval is obtained in accordance with subsection 601KL(8), the 10/12 limit.

Buy-Back Price is the price at which Units will be bought back under the Buy-Back, which is equal to the sum of the:

- (a) Net Tangible Asset Backing of each Unit on the Buy-Back Date; and
- (b) the sum of the amounts of distributions that the Unitholder would have been entitled to if the Unit was not cancelled from the Buy-Back Cancellation of Units Date up to the Buy-Back Pricing Date.

Buy-Back Pricing Date means the pricing date for the Buy-Back Price as set out in the Explanatory Statement.

Excluded Foreign Holders means Unitholders who the Responsible Entity determines to exclude on the basis that:

- (a) the Responsible Entity would be prohibited from making a payment to under an act, rule or regulation that prohibits the Responsible Entity from making payments to a person who resides in a jurisdiction outside of Australia or New Zealand;
- (b) the member resides in a jurisdiction where it would be illegal under the laws of that jurisdiction to make an invitation to the member or for the member to participate in the Buy-Back; or
- (c) the member resides in a jurisdiction outside Australia and New Zealand and it would be unreasonable to make an invitation to the member having regard to each of the following:
 - (i) the number of members in that jurisdiction;
 - (ii) the number and the value of Units held by members in that jurisdiction; and
 - (iii) the cost of complying with legal requirements and the requirements of any relevant regulatory authority applicable to

make the invitation in that jurisdiction.

Explanatory Statement means the explanatory statement for the Buy-Back which will be sent to members in relation to the Buy-Back.

Net Tangible Asset Backing has the meaning given by the listing rules of the ASX in force at the date of this instrument.

Unit means an interest in the Scheme.

Unitholder means a person who holds a Unit.
