**Australian Securities and Investments Commission
Corporations Act 2001 — Subsection 601CK(7) — Declaration**

Enabling legislation

1. The Australian Securities and Investments Commission (*ASIC*) makes this instrument under subsection 601CK(7) of the *Corporations Act 2001* (the *Act*).

Title

2. This instrument is ASIC Instrument 25-0901.

Commencement

3. This instrument commences on gazettal.

Declaration

4. Section 601CK of the Act does not apply to Saluda Medical, Inc. ARBN 691 140 360 (the *Company*), a body incorporated in the State of Delaware, US, in relation to its financial year ending 30 June 2026 (a *relevant financial year*) and each of its subsequent financial years (also a *relevant financial year*) when they arise.

Where this instrument applies

5. This instrument applies to the Company for so long as it:
 - (a) is registered under Division 2 of Part 5B.2 of the Act;
 - (b) is included in the official list of the financial market operated by ASX Limited;
 - (c) is not required under the law of the place of its incorporation to prepare a balance-sheet, a cash flow statement or a profit and loss statement; and
 - (d) is not a reporting company;

Note: When the Company does become a reporting company the relief under this instrument will cease to apply and the Company will have to comply with the requirements of s601CK(1) of the Act.

and where:

- (e) the Company gives ASX Limited the information set out in Appendix 4E (preliminary final report) in relation to the Company's financial year ending on 30 June 2026 by 31 August 2026 in order to comply with ASX Listing Rule 4.3A; and

25-0901

- (f) the Company has complied with the conditions in section 6 in relation to the Company's financial year that ends on 30 June 2026 and any subsequent relevant financial year.

Conditions

6. For the purposes of obtaining the relief available under section 4 in relation to the Company's financial year that ends on 30 June 2026 and any subsequent relevant financial year – the Company must:

- (a) have lodged with ASIC its Key Financial Statements for the relevant financial year within 3 months after the end of the relevant financial year; and

Note: The requirement to lodge the Key Financial Statements with ASIC within 3 months after the end of the relevant financial year is consistent with the lodgement deadlines for a disclosing entity under s319(3) of the Act.

- (b) if ASIC requested a Reconciliation Report in relation to the Company's Key Financial Statements for a previous relevant financial year – the Company must have provided the Reconciliation Report in relation to the Company's Key Financial Statement for the previous relevant financial year to ASIC within 1 month after having received the request or within such additional time as ASIC may have allowed by notice to the Company in writing.

Note: This condition is a condition precedent to relief for a relevant financial year. Failure to provide a Reconciliation Report in relation to a previous relevant financial year within the time required will result in the relief under section 4 being unavailable for the relevant financial year and future relevant financial years but will not affect relief that was relied on for any previous relevant financial year. The request may be in relation to any previous relevant financial year that is not necessarily immediately preceding the relevant financial year.

Interpretation

Exchange Act means Securities Exchange Act of 1934 of the US.

- (ii) a statement in writing using ASIC Form 405 verifying that the copies of the Key Financial Statements are true copies of the documents.

Note: ASIC Corporations (Electronic Lodgment of Financial Reports) Instrument 2016/181 does not apply to lodgment of Key Financial Statements with ASIC and the Company will need to lodge the Key Financial Statements with ASIC using an ASIC Form 405. The Company must also lodge a Form 406 Annual return of a foreign company (**Form 406**) as required under s601CK(9) of the Act. ASIC does not have the power to provide relief from this requirement. Reconciliation Report means a report that provides a summary of the material differences between:
