

# Notice by registered liquidator under section 458H of reasons for forming either or both of the suspicions mentioned in 458H(b)

The notice required to be given to ASIC by s458H(d) is not required to be in an approved form, so this is not an ASIC approved form and is not required to be used by registered liquidators.

This notice may be attached to the EX04 *Notifications relating to restructuring and restructuring plans* to notify of reasons for forming either or both of the suspicions mentioned in 458H(b). If you do not use this template, reasons (in any template form of your choice) must still be attached to the EX04.

I give notice that I suspect there are not reasonable grounds to believe:

(i) that the company is insolvent, or is likely to become insolvent before the declaration under subparagraph 458E(1)(a)(i) expires;

(ii) that the eligibility criteria for restructuring would be met in relation to the company if a restructuring practitioner were appointed on the day on which notice of the declaration under subparagraph 458E(1)(a)(i) is published, or on any day afterwards on which the declaration has not expired

## 3 Reasons for forming suspicion about either or both of the matters in 458H(b)
