Dear Sir/Madam

ASIC CS 58 Proposed remake of qualified accountant legislative instrument

The Institute of Public Accountants (IPA) welcomes the opportunity to provide comments on CS 58.

IPA agrees with ASIC's assessment that *ASIC Corporations (Qualified Accountant) Instrument 2016/786* is operating effectively and continues to form a necessary and useful part of the legislative framework. On this basis, IPA supports ASIC's proposal to remake this instrument for a period of 10 years, with minor amendments to ensure the instrument is up-to-date and in line with ASIC's current drafting style.
