5. Chapter 5C of the Act applies to a responsible entity as if Part 5C were modified or varied by, after Part 5C.6, inserting:

"Part 5C.6B - Buy-backs by listed schemes**Division 1- Preliminary****601KJ Application of this Part**

This Part applies to the purchase of interests in a listed managed investment scheme by the responsible entity of the scheme where the purchase is off-market and does not take place in the ordinary course of trading on the financial market of ASX Limited (*ASX*), and the purchase price is paid from scheme property. For the purposes of this Part, such a purchase is referred to as a *buy-back*.

Division 2 – Requirements for buy-backs**601KK Constitutional provisions about buy-backs**

If the responsible entity of the scheme is to have the power to buy back interests in the scheme, the power must be specified in the scheme's constitution.

26-0740

601KL Procedural requirements for buy-backs

- (1) A responsible entity must not buy back an interest in the scheme otherwise than in accordance with the scheme's constitution and this section.
- (2) A responsible entity may buy back an interest if it does not materially prejudice the responsible entity's ability to pay its creditors in relation to liabilities incurred or acquired by it as responsible entity of the scheme.
- (3) A responsible entity that buys back an interest in the scheme:
 - (a) must only buy the interest if:
 - (i) the buy-back is done off-market; and
 - (ii) the buy-back is covered by subsection (5) to (7) or subsection (8); and
 - (b) if it reasonably believes that it complies with the listing rules of the ASX that apply to buy-backs as if:
 - (i) the scheme were a company included in the official list of the financial market of the ASX; and
 - (ii) interests in the scheme were shares in the company; and

Note: The listing rules of ASX that apply to off-market buy-backs include:

- (c) must not dispose of the interests it buys back.
- (4) immediately after registration of the transfer to the responsible entity of the interests bought back, the interests are cancelled.

Buy-backs within the 10/12 limit

- (5) If the responsible entity proposes to buy back an interest in the scheme within the 10/12 limit, the responsible entity must give a notice to ASX which:
 - (a) discloses the responsible entity's intention to buy back interests in the scheme within the 10/12 limit; and
 - (b) sets out:
 - (i) the number of interests in the scheme held by the responsible entity and any associate of the responsible entity; and

26-0740

- (ii) the source of funds to pay for any interests bought back.
- (6) The responsible entity:
 - (a) must not buy back an interest for at least 14 days after giving the notice; and
 - (b) must start buying back interests:
 - (i) if a date is specified in the notice by which the responsible entity will start to buy back interests—by that date; or
 - (ii) otherwise—within 2 months of the date of the notice; and

Note: If the responsible entity does not start buying back interests within the period referred to in paragraph (b) but the responsible entity wishes to proceed with the buy-back, it will need to give another notice to ASX in accordance with subsection (5).

- (c) must not buy back an interest which would exceed the 10/12 limit except in accordance with subsection (8).
- (7) The responsible entity may buy back an interest in the scheme for a period of 12 months from the date of the giving of the notice. If the responsible entity proposes to buy back an interest in the scheme beyond that period it must give ASX a further notice:

Each notice extends the period in which the responsible entity may continue to buy back interests in the scheme by 12 months provided it is given to ASX before the expiry of the period covered by the previous notice.

Buy-backs which would exceed the 10/12 limit

- (8) If the responsible entity proposes to buy back an interest in the scheme which would exceed the 10/12 limit it must have:

 - (b) included with the notice of meeting a statement setting out all information known to the responsible entity that was material to the decision how to vote on the resolution other than information that it would be unreasonable to require the responsible entity to disclose because it had previously disclosed the information to the scheme's members.

Interpretation

- (9) The **10/12 limit** for a responsible entity of a scheme proposing to make a buy-back is 10% of the smallest number, at any time during the last 12 months, of interests in the scheme.
