Hi s 22 sorry I missed your call earlier, I'm pretty sure that the call I referred to was the one that you were in too with the administrators. Thank you for responding to s 22 also

11/11 10:13 pm

No problem. Sorry to call after hours. I wasn't able to get hold of s 22 so I think it is best to give the admins notice of the proposed conditions and a chance to comment before we ask s 22 o decide

Hi s 22 I had a read of s 22 s decision and only one minor typo that I saw at paragraph 8 where it says: "for how long the Licence ought to be suspended" I think this should be "for how **long** the Licence ought to be suspended". Let me know if you'd like me to respond to s 22 otherwise happy to wait until you and s 22 have had a read

sorry, the original is "for how the Licence ought to be suspended"

14/11 2:15 pm

Thanks s 22 for your eagle eye. I am reading it now and then will contact the Admins as a courtesy before serving. Let me know if you find any other issues

Excellent, s 22 sounds great thank you. I'll have one final read of the decision document and let you know if I see anything else

14/11 2:20 pm

Para a of the suspension doesn't limit to termination of arrangements as per the draft. That is a bigger change so I will call s 22

yep thank you, and does it matter that the suspension ends on a Sunday? (14 May 2023)

14/11 2:26 pm

Not really, except that it could continue providing fin services from Monday 15/5 if the suspension is not extended

great thought so

a and d seem to cover similar ground except that a is time limited and d is not. I suggest deleting d
