Thanks s 22 and s 22

Yes, apologies there seems to have been some save conflicts but I went out and back in and seems to be okay and reflected the changes.

I have responded to your comments and made amendments where necessary.

Let me know if there is anything else you would like me to change.

Many thanks again

Hi – My suggested edits are in the doc. Because it is not showing edits in real time, we are starting to create some save conflicts.

Thanks for preparing this so quickly.

Kind regards

Apologies for the follow-up, s 22 has already looked at the brief.

It largely mirrors the suspension brief we drafted for s 22 as well

All

As you're already aware, FTX Australia Pty Ltd entered into administration a couple of hours ago. s 22 and s 22 have engaged with the administrators from Korda Mentha.

As they are in administration we've drafted a brief to the delegate to have their AFS licence suspended under s915B(3)(b).

Here is a link to the brief: [FTX Australia Pty Ltd - AFS licence suspension brief.docx](#)

Attached are associated documents referred to in the brief.

We're hoping to have this to a delegate by end of today.

Thanks
