Subject: MR/ comms on FTX [SEC=OFFICIAL]

Hi s 22 and s 22

I was speaking with s 22 just now. He may like to include some broader messaging on risks with crypto in our FTX media release (or other avenue). We discussed risk of defamation. He'll reflect on it over the weekend. What ever the case, he would like to see any ASIC public messaging on FTX. So let's ensure our draft media release is shared, even if it remains limited to factual information about the administration and licence suspension (assuming the delegate supports our recommendation).

s 22 s 22 copying you FYI.

Have a nice weekend
