Dear s 22

Thank you to you and the team for their excellent work on the brief.

Please find attached a word version of my decision and notice of suspension, together with a cover letter and rights info sheet. If you become aware of fresh information that requires a change in the proposed specifications, please let me know and I'll review the documents.

I would be grateful if someone could please proof read the documents before serving. If you find any minor typos, please feel free to amend them, or, give me a call and I'll do it. In the hope no changes are needed, I have attached a pdf version of the decision documents for serving on the Administrators.

Should the Administrators subsequently become aware of information that requires a variation of the notice of suspension, I'm happy to assist.

Kind regards
