- **FTX Australia (crypto derivative offering):** In March 2022, multi-billion-dollar crypto platform, FTX, launched in Australia, after purchasing the licence of IFS Markets. FTX is offering options and futures over crypto to retail clients as well as leverage tokens to wholesale clients. We are reviewing the business proofs provided by FTX in its licence application to further understand whether offerings comply with the licence conditions and client money obligations. FTX is growing rapidly and has 31 financial services licenses globally, including Japan, Turkey, Cyprus and UK.
