Lets leave that one in this time around – Greg is aware that some of these items unexpectedly – so think best to leave it in this time around and maybe delete for the next ones

Alyssa – perhaps you can make enquiries as to whether there is any interest in leaving the KPMG – PCAOB one in? Nothing to update but if Sean still wants it happy to leave in.

Dear all

Below is a list of the current Markets briefs for the Budget Estimates Hearing to be held between 31 March to 8 April 2022.

Please provide your changes to the brief by **COB Monday 21st March**. Please copy myself, Anthony Furnell, Caroline von Konigsmark and your SEL when the brief has been approved. We will consolidate the briefs for Greg's review and approval.

When drafting your brief, please:

- ensure you track all changes for existing briefs and don't accept the changes
- include up to three or four key messages, noting that background information is not a key message
- remember the strict maximum page limit for each brief is two pages
- check you are authoring complete sentences and not an abbreviated short-hand to fit the page limit
- use short sentences that can be individually used as a talking point, so the Commissioners can directly read from this point if required (no long, wordy sentences – keep it short and concise)
- **do not include confidential information** – if you want to include confidential information as background for the Commissioners, contact myself and Zoe Kakarides and we will collate this in a separate document.
