Subject: Market Briefs - Senate Estimates Hearing - Complete by 12PM Thurs 14 October [SEC=OFFICIAL]

Dear all,

Below is a list of the current Markets briefs for the Senate Estimates Hearing to be held on 27 or 28 October.

Please provide your changes to the brief by **12pm, Thursday 14 October**. Please copy myself, Anthony Furnell, Caroline von Konigsmark and your SEL when the brief has been approved. MOPs will consolidate the briefs for Greg's review and approval.

When drafting your brief, please:

- ensure you track all changes for existing briefs and don't accept the changes
- include up to three or four key messages, noting that background information is not a key message
- remember the strict maximum page limit for each brief is two pages
- check you are authoring complete sentences and not an abbreviated short-hand to fit the page limit

- use short sentences that can be individually used as a talking point, so the Commissioners can directly read from this point if required (no long, wordy sentences – keep it short and concise)
- **do not include confidential information** – if you want to include confidential information as background for the Commissioners, contact myself and Zoe Kakarides and we will collate this in a separate document.

Any queries please let me know.

Many thank
Alyssa
