		past this page until we restore the system. Please reload the page in a few minutes.			RDR lookup is not working.

P2 –Situation type

ID	Mandatory	Label	Control type	Business rules, validation, control values	Business rules on control
P2	--	Situation type	Page		
B1	--	<p>All references to:</p> <ul style="list-style-type: none"> • 'Corporations Act' refer to the <i>Corporations Act 2001</i> • 'Credit Act' refer to the <i>National Consumer Credit Protection Act 2009</i> and • 'ASIC Act' refer to the <i>Australian Securities and Investments Commission Act 2001</i>. <p>Section 912D of the Corporations Act and s50A of the Credit Act each contain relevant definitions of 'reportable situation', 'core obligation' and set out when a breach is taken to be 'significant'. Section 910A of the Corporations Act also defines what is meant by 'relevant financial products'.</p> <p>When we refer to a 'likely breach' we are referring to a situation where a licensee is no longer able to comply with a core obligation and the breach, if it occurs, will be significant: s912D(1)(b) of the Corporations Act, s50A(1)(b) of the Credit Act.</p> <p>If there has been a breach and it is not or would not be significant, you are not required to submit the report. If you still want to advise ASIC of the matter, ASIC's website explains how to voluntarily report misconduct to ASIC.</p> <p>For further guidance about reportable situations refer to Regulatory Guide 78 <i>Breach reporting by AFS licensees and credit licensees</i> (RG 78).</p>	Information callout		
B2	Y	What is this report about, in relation to the other licensee (you are unable to select both of the first two options)?	Checkbox	<p>Allow multi select. List values: A. Significant breach of core obligation has occurred B. No longer able to comply with core obligation (likely significant breach) C. Gross negligence D. Serious fraud Do not allow selection of both A and B. If both A and B, show B3. If selections include A or B, show B4 and B6. Selection here also drives whether various controls on P4-S1 and P4-S2 are shown.</p>	
B3	--	You cannot select both 'Significant breach of core obligation has occurred' and 'No longer able to comply with core obligation (likely significant breach)'. To proceed with this transaction you must deselect one of these options.	Error alert	Validation: stop user progressing.	Show if both A and B selected at B2.
B4	Y	What circumstances indicate that the breach is/would be significant (you can select more than one)?	Checkbox	<p>Allow multi select. List values: • Offence involves dishonesty and carries imprisonment penalty of at least three months • Offence carries imprisonment penalty of at least 12 months</p>	Show if B2 includes A or B.

ID	Mandatory	Label	Control type	Business rules, validation, control values	Business rules on control
				<ul style="list-style-type: none"> • Contravention of civil penalty provision • Contravention of key requirement (as defined in National Credit Code) • Misleading or deceptive conduct re financial product/service (contravention of s1041H(1) of the Corporations Act or s12DA(1) of the ASIC Act) • Breach results, or is likely to result, in material loss or damage to members/clients • Number/frequency of similar breaches • Impact on licensee's ability to provide financial services/engage in credit activities • Indicates that compliance arrangements inadequate • Other circumstances specified in the regulations <p>If Other..., show B5 and B5a.</p>	
B5	Y	Specify other circumstances	Textbox	Alphanumeric. Multi line. Character limit: 1,000.	Show if B4 = Other....
B5a	--	Maximum 1,000 characters	HTML control	Class: help-text.	Show if B4 = Other....
B6	Y	Select the provision covering the core obligation to which the breach or likely breach relates (you can select more than one)	Checkbox	<p>Allow multi select. List values:</p> <ul style="list-style-type: none"> • s47 of the Credit Act, other than s47(1)(d) • s47(1)(d) of the Credit Act – relating to that Act, the National Consumer Credit Protection (Transitional and Consequential Provisions) Act 2009 and Division 2 of Part 2 of the ASIC Act and regulations made for the purpose of that Division • s47(1)(d) of the Credit Act – relating to Commonwealth legislation that covers conduct relating to credit activities • s50A(3)(d) of the Credit Act • s912A or s912B of the Corporations Act, other than s912A(1)(c) • s912A(1)(c) of the Corporations Act – relating to provisions of that Act or the ASIC Act referred to in paragraphs (a), (b), (ba) and (c) of s761A definition of 'financial services law' • s912A(1)(c) of the Corporations Act – not relating to traditional trustee company services, but relating to Commonwealth legislation 	Show if B2 includes A or B.

ID	Mandatory	Label	Control type	Business rules, validation, control values	Business rules on control
				<p>that covers conduct re the provision of financial services and that is specified in regulations made for the purposes of s912D(3)(c)</p> <ul style="list-style-type: none"> • s912A(1)(c) of the Corporations Act– relating to traditional trustee company services and Commonwealth, State or Territory legislation, or a rule of common law or equity, that is covered by paragraph (d) or (e) of s761A definition of ‘financial services law’ • s912D(3)(e) of the Corporations Act 	
B7	Y	Does the individual who has engaged in conduct that forms part of the reportable situation provide personal advice to retail clients about relevant financial products OR are they a mortgage broker?	Radio buttons	Yes/No <i>If No, show B8 (stop progression).</i>	
B8	--	<p>If the answer to the above question is ‘No’, the reporting licensee is not required to lodge the report. You cannot proceed with this transaction.</p> <p>If the reporting licensee still wants to advise ASIC of the matter, ASIC’s website explains how to voluntarily report misconduct to ASIC.</p>	Error alert	Validation: stop user progressing.	Show if B7 = No.

P3 – Other licensee/schemes/representatives

P3-S1 – Other licensee

ID	Mandatory	Label	Control type	Business rules, validation, control values	Business rules on control
P3	--	Other licensee/schemes/representatives	Page		
P3-S1	--	Other licensee	Sub page		
C1	--	Below you will be asked to provide details of the licensee about which you are making this report.	Information callout		
C2	Y	Which type(s) of licence does the other licensee hold?	Radio buttons	List values: <ul style="list-style-type: none"> • AFS licence • Australian credit licence • Both licences If AFSL or Both, show C4. If ACL or Both, show C18. If AFSL, show C37. Where relevant, selection here also impacts on whether P3-S3 and/or P3-S4 and some of their controls are shown.	
C3	--	You will need to provide their licence number(s) below. You can find the licence number by searching the Professional Registers on the ASIC Connect website.	Information callout		
C4	--	Details of AFS licence	Section		Show if C2 = AFSL or Both.
C5	Y	AFS licence number	Search	Control includes search button. Lookup AFS licence number, check number is valid and licence is current/suspended, and return entity details (at C8 to C15). Page validation: check that search has run.	
C5a	--	Click button to search for the licensee	Error alert	Validation: Stop user progressing.	Show if page validation at C5 fails.
C6	--	No current AFS licence exists for the data you have entered. You can check the AFS licence number by searching the Professional Registers on the ASIC Connect website. You cannot proceed with this transaction until this is corrected.	Error alert	Validation: stop user progressing.	Show if licence number validation at C5 fails.
C7	--	System not available: The system we use to pre-fill information on this page is not available. We are currently working on restoring the system. You cannot progress past this page until we restore the system. Please re-run the search in a few minutes.	Error alert	Validation: stop user progressing.	Show if the AFS licence lookup is not working.
C8	--	Organisation name	Textbox	Pre-fill licensee name for AFS licence number entered at C5.	Show if licence number at C5 relates to an Organisation.
C9	--	Australian Business Number	Textbox	Pre-fill ABN for AFS licence number entered at C5.	Show if lookup at C5 is successful.
C10	--	Australian Company Number / Australian Registered Body Number	Textbox	Pre-fill ACN/ARBN for AFS licence number entered at C5.	Show if licence number at C5 relates to an Organisation. Hide if asicNumberType = "NRET".
C11	--	Given name	Textbox	Pre-fill licensee name for AFS licence number entered at C5.	Show if licence number at C5 relates to an Individual.
C12	--	Other given name(s)	Textbox	Pre-fill licensee name for AFS licence number entered at C5.	Show if licence number at C5 relates to an Individual.
C13	--	Family name	Textbox	Pre-fill licensee name for AFS licence number entered at C5.	Show if licence number at C5 relates to an Individual.

ID	Mandatory	Label	Control type	Business rules, validation, control values	Business rules on control
C14	--	Source system	Hidden field	Pre-fill source system for AFS licence number entered at C5.	
C15	--	Source identifier	Hidden field (textbox)	Pre-fill source identifier for AFS licence number entered at C5.	
C16	--	Check that the licensee shown above is the licensee you wish to identify.	Information callout		Show if lookup at C5 is successful.
C18	--	Details of credit licence	Section		Show if C2 = ACL or Both.
C19	Y	Australian credit licence number	Search	Control includes search button. Lookup credit licence number, check number is valid and licence is current/suspended, and return entity details (at C22 to C30). Page validation: check that search has run.	
C19a	--	Click button to search for the licensee	Error alert	Validation: Stop user progressing.	Show if page validation at C19 fails.
C20	--	No current credit licence exists for the data you have entered. You can check the credit licence number by searching the Professional Registers on the ASIC Connect website. You cannot proceed with this transaction until this is corrected.	Error alert	Validation: stop user progressing.	Show if licence number validation at C19 fails.
C21	--	System not available: The system we use to pre-fill information on this page is not available. We are currently working on restoring the system. You cannot progress past this page until we restore the system. Please re-run the search in a few minutes.	Error alert	Validation: stop user progressing.	Show if the credit licence lookup is not working.
C22	--	Organisation name	Textbox	Pre-fill licensee name for credit licence number entered at C19.	Show if licence number at C19 relates to an Organisation.
C23	--	Australian Business Number	Textbox	Pre-fill ABN for credit licence number entered at C19.	Show if lookup at C19 is successful.
C24	--	Australian Company Number / Australian Registered Body Number	Textbox	Pre-fill ACN/ARBN for credit licence number entered at C19. If C2 = Both, validate that this number is the same as shown at C10.	Show if licence number at C19 relates to an Organisation. Hide if asicNumberType = "NRET".
C25	--	This licence is held by a different company/body corporate to that which holds the AFS licence number provided earlier on this page. The two licences must be held by the same company/body corporate. You can check the credit licence number by searching the Professional Registers on the ASIC Connect website. You cannot proceed with this transaction until this is corrected.	Error alert	Validation: stop user progressing.	Show if validation at C24 fails.
C26	--	Given name	Textbox	Pre-fill licensee name for credit licence number entered at C19.	Show if licence number at C19 relates to an Individual.
C27	--	Other given name(s)	Textbox	Pre-fill licensee name for credit licence number entered at C19.	Show if licence number at C19 relates to an Individual.
C28	--	Family name	Textbox	Pre-fill licensee name for credit licence number entered at C19.	Show if licence number at C19 relates to an Individual.
C29	--	Source system	Hidden field	Pre-fill source system for credit licence number entered at C19.	
C30	--	Source identifier	Hidden field (textbox)	Pre-fill source identifier for credit licence number entered at C19. If this identifier is not the same as the identifier at C15 (if populated), show C33.	
C31	--	Check that the licensee shown above is the licensee you wish to identify.	Information callout		Show if lookup at C19 is successful.

ID	Mandatory	Label	Control type	Business rules, validation, control values	Business rules on control
C34	Y	To which of the above licences does the reportable situation relate?	Radio buttons	List values: <ul style="list-style-type: none"> • AFS licence • Credit licence • Both licences If AFSL or Both, show C37. Where relevant, selection here also impacts on whether P3-S3 and/or P3-S4 and some of their controls are shown.	Show if C2 = Both.
C35	Y	What best describes the relationship between the reporting licensee and the other licensee (you can select more than one)?	Checkbox	List values: <ul style="list-style-type: none"> • In same corporate group • Formerly in same corporate group • Reporting licensee is lender; other licensee is mortgage broker • Reporting licensee is aggregator • Reporting licensee is former representative • No relationship • Other If Other, show C36 and C36a.	
C36	Y	Specify the other relationship between the two licensees	Textbox	Alphanumeric. Multi line. Character limit: 1,000.	Show if C35 = Other.
C36a	--	Maximum 1,000 characters	HTML control	Class: help-text.	Show if C35 = Other.
C37	Y	Does the reportable situation relate to a registered managed investment scheme for which the other licensee is the responsible entity?	Radio buttons	Yes/No If Yes, show P3-S2.	Show if C2 = AFS licence OR if C34 = AFS licence OR if C34 = Both licences.
C38	Y	Whose conduct or actions are the subject of the reportable situation (e.g. who has committed the breach; who has engaged in conduct constituting gross negligence)?	Radio buttons	List values: <ul style="list-style-type: none"> • The other licensee • Representative(s) • Both of the above If Representative(s) or Both, show P3-S3 and/or P3-S4.	

ID	Mandatory	Label	Control type	Business rules, validation, control values	Business rules on control
P3-S2	--	Schemes	Sub page		Show if C37 = Yes.
D1	Y	Do you know the name of the registered managed investment scheme(s) to which the reportable situation relates?	Radio buttons	List values: <ul style="list-style-type: none"> • Yes • No • Not all If Yes or Not all, show D2 and D3.	
D2	--	Below you will need to provide the Australian Registered Scheme Number (ARSN) of each relevant managed investment scheme that you can identify. You can find this by searching the name of the scheme in 'Organisation & Business Names' on the ASIC Connect website.	Information callout		Show if D1 = Yes or Not all.
D3	--	Provide details of the managed investment scheme(s) that you can identify	Repeater	Type: Vertical. Item: Scheme details.	Show if D1 = Yes or Not all.
D4	Y	ARSN	Search	Control includes search button. Lookup scheme, check number is valid, check scheme's responsible entity holds the licence at C5 and return scheme name for given ARSN (at D7). Page validation: check that search has run.	
D4a	--	Click button to search for the scheme	Error alert	Validation: Stop user progressing.	Show if page validation at D4 fails.
D7	--	Name of managed investment scheme	Textbox	Pre-fill scheme name for ARSN entered at D4.	Show if ARSN at D4 is a valid scheme number.
D6	--	System not available: The system we use to pre-fill information on this page is not available. We are currently working on restoring the system. You cannot progress past this page until we restore the system. Please re-run the search in a few minutes.	Error alert	Validation: stop user progressing.	Show if the ARSN lookup is not working.
D5	--	No ARSN exists for the data that you have entered or the ARSN relates to a scheme for which the other licensee is not the responsible entity. You can search the name of the scheme in the Organisation and Business Names register on the ASIC Connect website. You cannot proceed with this transaction until this is corrected.	Error alert	Validation: stop user progressing.	Show if ARSN validation at D4 fails.
D8	--		Repeater end	Add button: Add another scheme Repeater limit: 30.	

ID	Mandatory	Label	Control type	Business rules, validation, control values	Business rules on control
P3-S3	--	AFS licence representatives	Sub page		Show if C2 = AFS licence and C38 = Representative(s) or Both OR if C34 = AFS licence and C38 = Representative(s) or Both OR if C34 = Both licences and C38 = Representative(s) or Both.
E0	Y	Does the reportable situation relate to the conduct or actions of any representatives for the other licensee's AFS licence?	Radio buttons	Yes/No If Yes, show E0a and E2.	Show if C34 = Both licences.
E0a	--	You will need to provide each relevant AFS representative's Financial Advisers Register number below. You can find that number by searching the Financial Advisers Register on ASIC's Moneysmart website.	Information callout		Show if E0 = Yes.
E1	--	Because the reportable situation relates to the AFS licence held by the other licensee, and you have indicated that it is the conduct or actions of one or more representatives that are the subject of the reportable situation, you will need to provide each relevant representative's Financial Advisers Register number below. You can find that number by searching the Financial Advisers Register on ASIC's Moneysmart website.	Information callout		Show if C2 = AFS licence OR if C34 = AFS licence.
E2	--	Financial adviser details	Repeater	Type: Vertical. Item: Financial adviser.	Show if E0 = Yes OR if C2 = AFS licence OR if C34 = AFS licence.
E3	N	Enter the Financial Advisers Register number of the representative	Search	Control includes search button. Lookup FAR, check number is valid and return adviser details (at E7 to E11). Page validation: if populated, check that search has run.	
E3a	--	Click button to search for the financial adviser	Error alert	Validation: Stop user progressing.	Show if page validation at E3 fails.
E4	--	No Financial Adviser exists for the data you have entered. You can check the number by searching the Financial Advisers Register on ASIC's Moneysmart website. If you are unable to find the financial adviser on that register, tick the checkbox below. You will also need to delete the number you entered at 'Enter the Financial Advisers Register number of the representative'.	Error alert		Show if FAR number validation at E3 fails.
E5	--	System not available: The system we use to pre-fill information on this page is not available. We are currently working on restoring the system. You cannot progress past this page until we restore the system. Please re-run the search in a few minutes.	Error alert	Validation: stop user progressing.	Show if the FAR lookup is not working.
